

Decommissioning: Its place in Scotland's Industrial Strategy

Speakers: Jenny Marra MSP, Gary Smith (GMB Scotland General Secretary) and Brian Wilson (Former UK Energy Minister)

North Sea oil platforms will soon be decommissioned and Scotland is in prime position to attract the contracts and jobs this will bring. Join us to discuss how Scotland is ideally suited to capture this work, what plans are currently in place and how we can help ensure this £40Billion industry plays a key role in a new industrial strategy for Scotland.

**Saturday 10th March
Venue: Apex Hotel
(Art Gallery Room)
Time: 5/5.30pm**

**Sandwiches, sausage rolls,
tea & coffee will be served.**
